Flamella, bay filly, 3, by Flambeau—Cornelia, by Isonomy, the property of Charles Fair, in the University Stakes run at Ingleside, Cal., Nov. 1, was so badly cut down that she had to be destroyed.
Amazonian, chestnut colt, 2, by Tammany—Amazon, recently died at the Oakland track, California. He was taken sick on the road to the Pacific Coast. He was sold by Marcus Daly, and was in charge of John Campbell.
The death is announced as having taken place in Australia of Mersey, the dam of Carbine and Carnage.
Fred Foster has bought Enchanter and the fast horse goes to New Orleans for the winter.

FOR AMERICAN HORSEMEN.

Breeders and turfmen throughout the country should be careful not to overlook the fact that in order to be eligible to race on Jockey Club courses all horses must be registered by November 1 of the year in which they are foaled. Unless so registered they are barred from racing upon all the tracks under the jurisdiction of the Jockey Club, except on payment of heavy penalties.

Names, however, need not necessarily be sent till March 1 of the year in which they are two years olds but there is no extra charge for naming a registered horse either now or at any time prior to March 1 of their two-year-old period.

As the Jockey Club now owns the Stud book, registration with the Jockey Club entitles a horse to race on any legitimate race course in America, either East or West, without additional expense. The Jockey Club rules pertaining to registration, which all breeders should bear in mind, are as follows:

Rule 38. The office of the Jockey Club is designated as the Registry Office.

The Registry Office is established for the purpose of the identification of all race-horses, whether foaled in the United States or in other countries, and the certification of their pedigree.

Horses foaled in the United States must be registered with the Registry Office by Nov. 1 of the year in which they were foaled.

The registration shall comprise the name, if any; the color and marks, if any; whether a horse, mare, or gelding, and the name of its sire and dam. If the dam was covered by more than one stallion, the names or descriptions in full must be stated.

The registration fee shall be \$2 for each animal, which will include certificate.

Only horses are eligible for registry under this rule which have either five uncontaminated thoroughbred crosses, or which authentically trace through or to animals recorded in the first six volumes of the American Stud Book, or in a recognized Stud Book of another country.

If it be proved to the satisfaction of the Stewards of the Jockey Club that the failure of registration be unintentional or accidental, such registration may be permitted by the payment of a fine of \$10. If such application be made on or before December 31 of each year, and if after said date, upon payment of a fine of \$50 for each registration.

Rule 39. A name must be claimed through the Registry Office of the Jockey Club for each and every horse on or before the 1st day of March of its two-year-old year.

In case a horse is not named prior to March 1 of its two-year-old year, he may be duly named upon the payment of a fine of \$50, if name is claimed and allowed at least two days before day of starting.

No name that has been employed during the previous five years either in the stud or on the turf, shall be duplicated, nor can a name be claimed for any horse not registered as a foal.

N. B.—No horse will be allowed to start unless duly registered and named.

Rules 38 and 39 shall apply only to horses foaled in 1893 and thereafter.

Rule 40. An owner desiring to change the name of a horse must obtain special permission from the Stewards of the Jockey Club, and shall pay the sum of \$100 on each change of name to the Fine Fund.

Rule 41. A horse foaled out of the United States shall not be qualified to start for any race until the owner has filed in the Registry Office a certificate stating age, color, sex, distinguishing marks, if any, and pedigree as recorded in the official stud-book of its native country, signed by the Secretary or other public

officer of a recognized racing club, or by some approved magistrate or public officer of the country in which the horse was foaled, or has otherwise satisfied the Stewards of the Jockey Club as to his identity and age.

The registration must be made at the Registry Office within sixty days after landing in this country.

The registration fee shall be \$5 for each animal, which will include certificate.

Breeders will greatly facilitate the work of registration by sending in their reports as early as possible.

The registration fee of \$2 will be refunded if foal should die before Nov. 1.

Address James E. Wheeler, Registrar, The Jockey Club, 173 Fifth Avenue, New York, N. Y.

THE NEW ORLEANS MEETING.

New Orleans will have a most successful opening. There are already some 400 horses upon the grounds and plenty are headed for the Crescent city, now that the yellow fever scare is thoroughly dead and gone. The meeting will start in a healthy way next Saturday and run almost one hundred days.

Winner—Ch. h. 5, by St. Blaise—Magnetic. Start perfect. Won in a hard drive. Magnet outclassed his field on mere speed, but was short and acted very badly. He evidently hates to race. Amelia Fonso was lucky and Santuzza unlucky. He was interfered with at start and badly ridden. Can't Dance and Cardwell ran short. The former and Martin favor the mud. Watch Dance. He is ready and likes a distance. Boreas broke down.

Scratched—Meadow Lark, 107; Una Colorado, 107; Volt, 112; Veragua, 112; Last Chance, 119; Ricardo, 117; Harry O, 112; Palmerston, 115.

Winner—Ch. f. by Flambeau—Miss Mitford. Start good. Won eased up. Etta H is good. She had to be far the best, as she was interfered with at the start, while Zamar had clear sailing. Lost Girl ran her race. Osric needs a hard track. Throw out this race as to him. Aquinas had awful luck. He was cut off at the start and in the back stretch. Throw out this race.
